

When you entrust your child to us at Sacred Heart you can be assured that you have selected a school with a caring, nurturing, Christian environment.

All students are challenged to reach their full potential while developing Catholic values and a rich faith-life.

We welcome families of all faiths, and cultural and economic backgrounds. Call us today to meet the principal and arrange for a tour.

There is always good information and communication between the school and parents at Sacred Heart. The students are taught to respect their parents, each other, and the staff. *Parent*
