Re: February 10, 2012 Inclement Weather Makeup Day

Due to all Cedar Valley Catholic School classes being cancelled on Friday, January 20, 2012 due to inclement weather, the system's originally scheduled Professional Development day on Friday, February 10, 2012 will now be used as a makeup day for all students in the system. Breakfast and lunch will be served as normal.

Since this is a Waterloo Community Schools Professional Development day, any student that would normally ride the bus will be responsible for transportation to school that day.

We know this may be an inconvenience to some and we appreciate your cooperation. Thank you.
